

Model **YB32**

**Mechanically
Driven 3 Point Hitch
Mounted York Broom**

Built with the same attention to quality and rugged detail you have come to expect from all York products.

Designed for use by contractors, landscapers, municipalities, institutions, and farmers just to name a few.

Contractors will use it for general clean up work. Pavement contractors will use it before sealing or repaving. Landscapers will use it for final site clean up, snow removal and dethatching.

Municipalities/Institutions will use it for general clean up around their facilities as well as snow removal. Farmers can use it for most of their everyday clean up chores.
